The total forecast error is ± 1 day. This means that a described event may occur a day earlier if the forecast duration is more than 1 day (you will see this in the interpretation). [Forecast explanations](#)

Forecast made for location «NY». If you move to a remote location during the forecast period (to a different time zone or geographic latitude), then the error of some forecasts can be ± 2 days.

2.2. September 2009

Auspicious and unfavorable days

The following chart shows which areas of life will be relevant during the month:

- Scores above zero indicate success and ease
- Scores below zero indicate difficulties and stress

The following is a forecast for these areas of life

2.2.1. Important for September 2009

- 7 September: Mercury goes into reverse motion
- 11 September: Compromise + Self-esteem
- 11 September: Pluto goes into direct motion
- 12 September: Abundance = Relaxedness
- 16 September: Qualification
- 29 September: Prudence + Power
- 29 September: Mercury goes into direct motion

2.2.2. Tuesday, 1 September 2009

2.2.2.1. Emotions = Feelings

The surge of today inspiration is associated with the availability of free time and enjoyable activities. Susceptibility to beauty will be expressed in your attractiveness; everyone will only look at you. Make everything tasteful: choose a nice wardrobe, cook delicious food and serve it beautifully. You can do cosmetic procedures, drawing, decoration

2.2.2.2. Woman - Harshness

Harshness of feelings will cause tension in communication with a woman. Because of her, you'll be ready to take a drastic action

2.2.2.3. Man - Protest

Today unpleasant surprise is related to a man: you'll feel tension, will do everything differently than he expects

2.2.2.4. Capabilities

Your talent and ability will be the most relevant: it'll be important for you to do what you like, even if there are more urgent plans for the day. You can succeed in both on courage

2.2.2.5. Capabilities

The opportunities for the next 2 days are related to verbal self-expression: the more you talk, the more successful things will go. You'll be appreciated for your intelligence and ability to express your thoughts

2.2.2.6. Opponents

The motto for the next 2 days: "Truth is sprout in discussion". You'll be able to come to an agreement with the "problem" person, set him/her up in a positive way and mitigate your conflict. You will even enjoy debating and discussing difficult issues. Younger people will be more accommodating

2.2.2.7. Continues: A decade of major acquisitions and material excesses

(until 16 September)

Jupiter is getting its loop over your acquisition sector, so next 2 weeks are associated with the multiplication of property and the tendency to greater savings. You won't be able to resist exotic, imported products, but in the future these purchases may seem redundant. Passion for excesses will

manifest itself not only in getting rich yourself, but also in showing generosity towards other people. You'll enjoy living in a rich environment; will make bulk purchases, will stock up for the winter, will give and receive gifts; will buy large property

Duration of the forecast will be delayed, and described events will become especially important for you and will be repeated in the future

2.2.2.8. Continues: Exaggerated risk week

(until 17 September)

An incident will make you worry about yourself, deprive you of optimism. Don't tempt fate, don't aim at things that are not up to you. Protect your hips from injury, stretch your body carefully. Surgical operations are undesirable these days

Duration of the forecast will be delayed, and described events will be irreversible

2.2.2.9. Continues: Month of harsh working conditions

Distrust towards your colleagues and the company as a whole will increase in the coming month. The work atmosphere will be gloomy and closed: everyone toes the line and must maintain confidentiality. It's possible to engage in hazardous work, a strict work regime, and many official prohibitions. If you lose your job, you won't be able to get a new one immediately

Duration of the forecast will be delayed, and described events will be irreversible

2.2.2.10. Continues: Month of disappointing conclusions and animal problems

Pluto is getting its loop over your results sector, so the next month will lead you to disappointing conclusions and will convince you that the result you are striving for is unattainable. You will understand that the situation is hopeless, and it's impossible to complete what you started...

Psychologically, you will "visit hell" due to internal passions, but you'll try to suppress them. You won't pour out your negativity on other people, because it will be difficult to share such experiences. It's unlikely that anyone will even guess what you're feeling (you will remain stern and unperturbed outwardly). Don't think about death, don't doubt the value of your life, even if, looking inside yourself, you don't see any light. There is always a choice: either become discouraged or become stronger by realizing your shortcomings. Any mental condition has a reason, and if experiences came upon you during this particular period, then something caused it. Pessimism may even be positive because it will reduce your activity and lead you away from unwanted initiatives. If you have pets, then these are dangerous days for them: an incurable illness or bereavement are possible

Duration of the forecast will be delayed, and described events will become especially important for you and will be repeated in the future

2.2.2.11. Continues: Month of positive changes related to other people's property (until 2 September)

Positive changes in the coming month are associated with other people's property. Successful circumstances will help you get rid of debts and return to people the valuables you borrowed from them. It's possible to receive financial assistance, change rental housing, or refinance a loan. If there are no negative forecasts, then you can risk other people's funds to your own benefit, or to buy a good used item

2.2.3. Wednesday, 2 September 2009

An incident will make you worry about yourself, deprive you of optimism. Don't tempt fate, don't aim at things that are not up to you. Protect your hips from injury, stretch your body carefully. Surgical operation is undesirable today

2.2.3.3. Family

The next 2 days are related to your family positively: contact with your paternal relative will become warmer, you'll be happy for him/her, will be proud of him/her. Feeling the attention of your loved ones, you will understand that they support you

2.2.3.4. Children and creativity

Creatively, there is nothing to be proud of in the next 2 days. Difficulties with the publication of your works are expected. Problems with younger people are likely. This is an unfavorable day for conception

2.2.3.5. Promotion

Things will go up in the next 2 days: you will perform in a worthy role. People will trust you and recognize your strength

2.2.3.6. Plans

When drawing up a plan in the next 2 days, don't overestimate your capabilities: there is a risk of making a mistake and setting unrealistic deadline. When sharing your thoughts about the future with people, don't take their comments to your heart. They will consider your intentions vain, selfish, or even ignore them

2.2.3.7. Property

Agenda: your property and new acquisitions. You will worry about some item that belongs to you. Material wealth is emotionally significant today, but not necessarily achievable: your well-being depends on external circumstances. 2.2.4.3. Begins: Lifestyle

Forecast duration: 1 month and more

In the next month, you will develop a sense of illness and ability to listen to your body. There may even be a desire for healing. This is a good time to take care of your vision, improve your rest and sleep conditions, and get vaccinated. Sign up for a swimming pool and walk barefoot more often, - it's good for your spirit and body. This is a good time for walking in nature, reading and writing poetry, listening and composing music, playing a musical instrument when no one is listening. 2.2.6. Saturday, 5 September 2009

2.2.6.1. Success + Control

2.2.7.3. Begins: Lifestyle (until 14 September)

Forecast duration: 1 decade

An exacerbation of a chronic disease is likely in the next decade. Treatment shouldn't be delayed, so as not to get sick again in a few months. The problem is related to the joints, bone structure, teeth and internal organs. Avoid a sedentary lifestyle. Despite fatigue, carry out all daily procedures. If you have a meeting with a doctor or trainer, then your communication will not please you, he/she will force you to go on a diet, follow a regimen

2.2.8. Monday, 7 September 2009

2.2.8.1. Usual environment

Thoughts today will be too hasty. And communication with a man will turn out to be unpleasant because of his intemperance and selfish desire to interrupt you

2.2.9.4. Someone's values

Your attention in the next 2 days will be focused on someone else's things. If you are in financial need, then your success largely depends on the willingness of people to help you. You will regard their favor as a reward, because you're unlikely to ask them for help (your pride won't allow it). Thanks to a fortunate circumstance, your debt will decrease

2.2.9.5. Residence

You will do something important at home, and this is not necessarily related to the household. You won't have access to service resources. Stress due to excessive control at work is possible. If you're looking for a job, then the issue of employment won't be resolved today

The result you achieve is unlikely to be optimistic and will lead you to a dead end. Or you'll understand that it's basically impossible to complete what you started, and you'll stop making efforts. It would be easier to live in illusions, but you won't seek consolation and prefer to remain realistic (even if it's difficult).
